## VALLEY WATER DISTRICT

## **APPLICATION FOR DEVELOPER EXTENSION AGREEMENT**

- 7. Attached as Exhibit "A" is the legal description for this property.
- 8. Attached as Exhibit "B" is a diagram showing all properties that the developer would like to include in a latecomer reimbursement area.
- 9. A nonrefundable process fee of \$1,000.00 for review of the application and for initial services of the engineers for the District to determine the feasibility of the proposed project (Basic Engineering and Administrative Fee) is attached.
- 10. Has this project been started before? Yes \_\_\_\_ No \_\_\_\_
- 11. Enclosed with this application are three (3) sets of preliminary plans showing the proposed development, the proposed water system, the project boundaries, roads, and structures and, for each structure, the number of units.
- 12. The proposed project will be commenced on or before \_\_\_\_\_\_ and will be completed on or before \_\_\_\_\_\_.
- 13. Has an application for a building permit, rezone, approval of a plat, or short plat or planned residential development for the proposed project or any part thereof been submitted to Pierce County?

Yes	No		
If so, list the r	name of the agency,	the date of application,	the type of action required

14. Has an environmental checklist, and a determination of nonsignificance or an environmental impact statement been prepared for the proposed project or any part thereof?

Yes <u>No</u> If so, enclosed with this application are copies of the documents.

15. The developer understands that the District will not approve the water system plans for the proposed project until a Developer Extension Agreement has been executed by both parties.

I have read and fully understand the conditions and agree to adhere to the procedures outlined in the Developer Extension Agreement and the resolutions, rules and regulations of the District.
