

BIDDING INFORMATION

Each Bid for the purchase of Lot 2 (the "Property") must be submitted in a sealed envelope, addressed to Valley Water District, 14515 Pioneer Way E, Puyallup, Washington 98372.

Each sealed envelope containing a Bid must be plainly marked on the outside as "**Surplus Property Bid, Lot 2 of Valley Water District Short Plat**" and the envelope should bear on the outside the name and address of the Bidder. If forwarded by mail, the sealed envelope containing the Bid must be enclosed in another envelope addressed to Valley Water District at the address stated above.

All Bids must be made on the required Bid forms. All blank spaces for Bid amounts must be filled in, in ink or typewritten, and the Bid form must be fully completed and executed when transmitted. Only one copy of the Bid form is required.

The minimum Bid amount is One Hundred Fifty Thousand One Hundred Dollars (\$150,000.00). Seller may waive any informalities or minor defects in the Bids and reserves the right to reject any and all Bids. Any Bid may be withdrawn prior to the scheduled deadline for filing of bids. Any Bid received after the time and date specified will not be considered. No Bidder may withdraw a bid within 120 days after the actual date of the opening thereof. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the Seller and the responsive highest Bidder.

Bidders must satisfy themselves as to the accuracy of any estimated square footage of the Property by examination of the site and review of the legal description herein. After Bids have been submitted, the Bidder shall not assert that there was a misunderstanding concerning the size or approximate square footage of the Property, or any other matter related to the Property.

This document contains the provisions for the proposed sale of the Property. Information obtained from any Seller's officers, agents or employees or any other person shall not affect the provisions of this agreement or relieve the Bidder from fulfilling any of the conditions of the contract.

The party to whom the Purchase and Sale Agreement is awarded will be required to execute the Real Estate Purchase and Sale Agreement attached hereto (the "Contract") and provide a certified check or a cashier's check made payable to Valley Water District in the amount of five percent (5%) of the Bid (the "Deposit") within seven (7) calendar days from the date when Notice of Award is mailed to the Bidder. Do not sign and submit the Contract with a Bid. In case of a failure of the successful Bidder to execute the Contract, the Seller will consider the Bidder in default, in which case the Bidder's Deposit shall be forfeited and shall become the property of Seller.

The Seller, within ten (10) days of receipt of the Contract signed by the party to whom the Contract was awarded, shall sign the Contract and return to such party a copy of the fully executed Contract. Should the Seller not execute the Contract within such period, the Bidder

may, by written notice, withdraw its signed Contract. Such Notice of Withdrawal shall be effective upon receipt by the Seller. In such case, the Seller shall return the Bidder's Deposit within ten (10) business days from the Seller's receipt of Bidder's Notice of Withdrawal. Seller shall not be responsible or liable for any costs incurred by the Bidder.

Attached hereto, for disclosure only pursuant to RCW 64.06.015, are Seller's disclosures ("Seller's Disclosure Statement") about the condition of the Property, based on the actual knowledge of Sean Vance, Seller's Manager, as of April 15, 2024.

As more fully set forth in Paragraph 9 of the attached Contract, the Property is being sold "AS IS, WHERE IS." Seller's Disclosure Statement is not a part of the Contract, and Buyer shall have no right to rescind either an awarded Bid or executed Contract by virtue of Seller's Disclosure Statement.

Each Bidder is responsible for inspecting the Property and for reading and being thoroughly familiar with the Contract documents. The failure or omission of any Bidder to do any of the foregoing shall in no way relieve any Bidder from any obligation with respect to its Bid.

The following forms must be executed **prior to** and submitted with a Bid:

1. Bid Summary

The following agreement is to be executed by the successful Bidder within 7 calendar days **after** the award of the contract:

1. Real Estate Purchase and Sale Agreement
2. Bid Deposit Statement

The following item is to be executed by the successful Bidder **at closing**:

Any and all documents that the Escrow Agent or the Title Company (as defined in the Real Estate Purchase and Sale Agreement) may reasonably require for the closing of the transaction, including but not limited to: form escrow instructions, FIRPTA certificate, Real Estate Excise Tax Affidavit and Buyer's Estimated Closing Statement.

At Closing, Buyer shall take title to the Property via a Statutory Warranty Deed in substantially similar form as that set forth in the Real Estate Purchase and Sale Agreement, subject to those encumbrances noted in the ALTA Commitment for Title Insurance issued by Ticor Title, 437 29th St NE, Puyallup, WA 98372 effective April 14, 2023 (the "Preliminary Commitment") and any other encumbrances that may be disclosed by the Title Company in any supplement thereto and approved by Buyer prior to Closing; provided, that real property taxes for the current year; the current portion of assessments, if any; and utilities shall be prorated between Buyer and Seller as of the date of Closing, as more fully set forth in the Real Estate Purchase and Sale Agreement.

If the answer is "Yes" to any asterisked (*) items, please explain below (use additional sheets if necessary). Please refer to the line number(s) of the question(s). 186
187

#1 D,E,F,H & K - See recorded CCR's in bid package. There are recorded easements for access and for Valley Water District to maintain water and storm water infrastructure. There are road maintenance and storm ponds cost sharing for all 4 lots in plat (Valley Water District owns lot 1, lots 2,3 & 4 will be privately owned. Once lots 2,3 and 4 are developed all 4 lots will spit the cost of final lift of asphalt.	188 189 190
#2A(3) - See recorded easements for access and VWD maintenance of water and storm infrastructure	191
#3 Lots will be served by City of Puyallup for Sewer. Original recorded Plat shows lots to be served by grinder pump. A 6" HDPE conduit has been installed from near the top of the private road access down to the cul-de-sac that may potentially be used for the private grinder pump service lines if allowed/approved by City of Puyallup. See Sewer Availability Letter from City of Puyallup included in bid packet.	192 193 194
#4 Electrical - The conduit (DB120) is already in place (2) 2-inch PVC conduits. The Developer will need to contact PSE to have conductor from the box labeled J03 to the vault at the north end of the cul-de-sac (V02)	195 196
#8 C&D - See recorded CCR's in bid package. There are recorded easements for access and for VWD to maintain water and storm water infrastructure. There are road maintenance and storm ponds cost sharing for all 4 lots in plat (Valley Water District owns lot 1, lots 2,3 & 4 will be privately owned. Once lots 2,3 and 4 are developed all 4 lots will spit the cost of final lift of asphalt.)	197 198 199 200
*City of Puyallup has indicated building permits will not be issued until the following improvements are made (these are improvements the District has been made aware of but the city will determine what improvements are needed to issue construction permit).	201 202
Design and installation of pressurized sewer system for each lot (see sewer availability letter in bid packet)	203
Storm water analysis for each lot (The District would argue that the plat and storm was designed for the future 3 residential lots and the 1 lot for the Reservoir, but the City has final say)	204 205
Second lift of asphalt over a 400' +/- road (each lot in the plat will pay 1/4th the cost per CCR's)	206 207
Design and installation of a street light at intersection of St. Andrews Ct and 84th St E. (District would argue this is a private road and we don't believe they can require a street light on private road, but City has final say)	208 209

RE: Certificate of Sewer Availability

Parcel Number: 0420366010

Site Address: 1106 ST ANDREWS CT, PUYALLUP,

Application: PRCWSA20221000

To Whom It May Concern:

This letter is being provided regarding parcel 0420366010. The parcel owner has requested that the City provide a certificate of sewer availability for this parcel which is located within the Puyallup city limits and the Puyallup sanitary sewer service area. The city is willing to serve this site with sewer.

Presently, the closest sewer main is located within St. Andrews Ct. This 8" sewer mains runs north and south and is approximately 8' deep. The applicant will be required to design and construct an approved sewer connection as outlined in the Puyallup Municipal Code and the City of Puyallup's Design Standards Manual. An individual private lift station (E-1 Grinder Pump) and a pressurized sewer lateral will be necessary to serve this parcel with sewer. The pressurized sewer lateral will be extended to a point that a gravity sewer lateral can flow into the 8" sewer main in St. Andrews Ct.

Please note that a building permit for this lot will not be issued until all required frontage improvements are designed and approved for construction and a civil permit issued. These frontage improvements, as outlined on Short Plat 2016132015001 (AFN) Valley Water District, may include curb, gutter, roadway base, pavement, storm infrastructure, and street lighting. All required improvements will be determined during the civil permit application process.

If you have any questions, please contact me directly at 253-841-5577.

Sincerely,

Linda Lian

**DECLARATION OF
COVENANTS, CONDITIONS, AND RESTRICTIONS,
FOR
VALLEY WATER DISTRICT SHORT PLAT**

THIS DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS (“Declaration”) is made as of the date of execution hereof by VALLEY WATER DISTRICT, a Washington municipal corporation (the “Declarant”) with regard to the following:

RECITALS

A. The Declarant is a Washington municipal corporation organized under Title 57 RCW and provides water service to properties located within its jurisdiction. The Declarant is the fee owner of certain real property within its water service area, located in the City of Puyallup, Pierce County, Washington (the “Property”), which has an original Assessor Parcel No. 0420362703 and that is legally described as:

Lot 4, as shown on that certain survey of a portion of Section 35 and 36, Township 20 North, Range 4 East of the W.M., Filed for record under Auditor’s File No. 8210040207, in Pierce County, Washington.

B. The Declarant has caused the Property to be subdivided into four (4) lots (collectively the “Lots” and individually “Lot 1,” “Lot 2,” “Lot 3,” and “Lot 4”), in accordance with the Short Plat approved by the City of Puyallup and filed for record with the Pierce County Auditor’s Office under Recording No. 201612015001 (the “Short Plat”). After the Short Plat, the Property is legally described as:

Lot 1, City of Puyallup Short Plat Recorded December 1, 2016 under Auditor’s File No. 201612015001, Records of Pierce County, Washington.

Lot 2, City of Puyallup Short Plat Recorded December 1, 2016 under Auditor’s File No. 201612015001, Records of Pierce County, Washington.

Lot 3, City of Puyallup Short Plat Recorded December 1, 2016 under Auditor’s File No. 201612015001, Records of Pierce County, Washington.

Lot 4, City of Puyallup Short Plat Recorded December 1, 2016 under Auditor’s File No. 201612015001, Records of Pierce County, Washington.

A copy of the Short Plat site map is attached hereto as **Exhibit A**. Lot 1 of the Short Plat is being retained and used by the Declarant for certain water facilities and will continue to be owned by the Declarant. Lot 2, Lot 3 and Lot 4 of the Short Plat are zoned for residential use, among other uses, and the Declarant intends to sell those three Lots as surplus property in accordance with State law.

C. As established by, depicted on and legally described on the Short Plat, Lot 1 is encumbered by a thirty (30) foot wide access and utility easement (the “Access Easement”). The Short Plat contemplates that utility lines and other facilities and private roadway facilities benefitting all of the Lots will be installed in the Access Easement.

D. As established by, depicted on and legally described on the Short Plat, an access and utility easement (the "Utility Easement A") that varies between twenty-five (25) and forty (40) feet wide, and a second twenty-five (25) foot wide utility easement, encumber Lot 2 and Lot 3 of the Short Plat. After the Short Plat was recorded, the Declarant released the second twenty-five (25) foot wide easement, and recorded a replacement easement that only encumbers the west side of Lot 2 of the Short Plat ("Utility Easement B"). A copy of the easement establishing Utility Easement B, which includes the legal description of Utility Easement B and a site map depicting the Short Plat with Utility Easement B, is attached hereto as **Exhibit B**. The Short Plat contemplates that utilities, including storm drainage lines and other facilities serving all the Lots in the Short Plat, and private roadway facilities and private utility facilities serving only Lots 2, 3 and 4, will be installed in Utility Easement A. The Short Plat contemplates that storm drainage lines and other facilities serving all the Lots in the Short Plat will be installed in what is now Utility Easement B.

E. The Declarant has constructed a reservoir and booster station on Lot 1 of the Short Plat. As a part of that construction project, the Declarant installed storm drainage facilities, which include a detention pond on Lot 1 and other storm water system facilities for the Short Plat constructed the subgrade and certain paving for the private street in the Access Easement, and installed other site improvements, all as required by the City of Puyallup.

F. The City of Puyallup requires that prior to the issuance of a building permit to any party for any structure on Lot 2, Lot 3 or Lot 4 of the Short Plat, all of the remainder of the infrastructure (the features and infrastructure not constructed by the District as described in Recital E above) required to be completed for the Short Plat, must be installed or constructed by the owner(s) of Lot 2, Lot 3 and/or Lot 4 and approved by the City of Puyallup. The additional remaining improvements include, but may not be limited to, the installation of individual private sewer lines from Lot 2, Lot 3 and Lot 4 (three lines) to the existing sewer manhole south of 84th Street on St. Andrews Court, installation of the "dry" utility facilities and gas utility facilities if desired, final lot grading and installation of drainage facilities for any residence to be constructed on Lot 2, Lot 3 or Lot 4, completion of the private street to be installed in the Access Easement, and installation of driveway or access facilities in Utility Easement A to serve Lots 2 and 3.

G. The purpose of this Declaration is to establish the construction responsibility, ownership and future maintenance responsibility for the necessary infrastructure for the Short Plat, to be located in the Access Easement, Utility Easement A and Utility Easement B. It also establishes cost sharing requirements for the future maintenance of the infrastructure serving all four Lots within the Short Plat.

H. The Declarant wishes to subject the Property and each Lot in the Short Plat to this Declaration.

NOW, THEREFORE, the Declarant declares that the Property, and each of the Lots established pursuant to the Short Plat are hereby made subject to, and shall be perpetually held, conveyed, occupied and bound, subject to the covenants, conditions, restrictions, payment obligations and lien matters set forth in this Declaration and subject to the covenants and restrictions set forth on the recorded Short Plat. This Declaration and each of the covenants, conditions, restrictions, payment obligations and lien matters set forth in this Declaration are for the purpose of enhancing the value and desirability of the Property, and each of the Lots established in the Short

Plat, and shall be deemed to be covenants running with the land, binding upon the Property, and each of the Lots, and binding upon the Declarant and all of the Declarant's grantees, assigns and successors, until the expiration of this Declaration as follows:

ARTICLE 1. DEFINITIONS

Section 1.1 Words Defined. For the purposes of this Declaration and any amendments hereto, the following terms shall have the following meanings:

"Access Easement" shall mean the thirty (30) foot wide access and utility easement that is established by, depicted on and legally described on the Short Plat and that encumbers Lot 1 of the Short Plat.

"Declarant" shall mean Valley Water District, a Washington Municipal Corporation, and any of the District's successors or assigns.

"Lots" shall mean any one of the four (4) lots numbered 1 through 4 on the Short Plat.

"Owner" shall mean the record owner, whether one or more Persons, of fee simple title to a Lot within the Property, including a contract seller (except those having such interest merely for the performance of an obligation). The Declarant is the original Owner of the Property and of all Lots and shall continue to be the Owner thereof until and except as conveyances changing such ownership as to specific Lots are recorded.

"Person" shall mean an individual, corporation, partnership, association, personal representative, trustee or other legal entity.

"Property" shall mean the land contained in the Short Plat described in Recital A hereof.

"Short Plat" shall mean the recorded Short Plat described in Recital B hereof and any amendments, corrections, alterations or addenda thereto subsequently recorded.

"Utility Easement A" shall mean the twenty-five (25) to forty (40) foot wide access and utility easement that is established by, depicted on and legally described on the Short Plat and that encumbers Lot 2 and Lot 3 of the Short Plat.

"Utility Easement B" shall mean the easement that encumbers Lot 2 of the Short Plat, and which is established by, depicted on and legally described in the Easement for Water Facilities dated November 5, 2019 and recorded under Pierce County Recording No. 201911070178, attached as Exhibit B to this Declaration.

Section 1.2 Liberal Construction. The provisions of this Declaration shall be liberally construed to effectuate the intent and purpose of this Declaration as described in Recital G hereof.

ARTICLE 2. EASEMENTS AND IMPROVEMENTS

Section 2.1 Easements.

2.1.1 Access Easement. The Declarant hereby confirms that the Short Plat establishes and grants the thirty (30) foot wide Access Easement in, on, under, across and through Lot 1, as depicted and legally described on the Short Plat, for the purpose of the construction, installation, repair, maintenance, operation and use of private roadway facilities and utility facilities for the benefit of and to serve Lot 1, Lot 2, Lot 3 and Lot 4 of the Short Plat. The Access Easement shall be perpetual, and shall run with the land, forever burdening Lot 1 for the benefit of each of the Lots. Each of the Owners shall have equal rights to utilize the Access Easement for pedestrian and vehicular ingress and egress and for utilities as set forth herein, and no Owner of any Lot shall make any use of the Access Easement that is inconsistent with the pedestrian and vehicular ingress and egress and utility facility uses of the Access Easement.

2.1.2 Utility Easement A. The Declarant hereby confirms that the Short Plat establishes and grants the Utility Easement A that varies between twenty-five (25) feet wide and forty (40) feet wide in, on, under, across and through Lot 2 and Lot 3, as depicted and legally described on the Short Plat, for the purpose of the construction, installation, repair, maintenance, operation, use and replacement of private gravel roadway facilities and utility facilities for the benefit of and to serve Lot 1, Lot 2, Lot 3 and Lot 4 of the Short Plat. The Utility Easement A shall be perpetual, and shall run with the land, forever burdening Lot 2, Lot 3 and Lot 4, for the benefit of all four of the Lots. Each of the Owners shall have equal rights to utilize the Utility Easement A for pedestrian and vehicular ingress and egress and for utilities as set forth herein. In particular, and without limitation of the foregoing, the Owner of Lot 1 shall have the right to use Utility Easement A to access the storm drainage facilities and water infrastructure on Lot 1 and Utility Easement B.

2.1.3 Utility Easement B. The Declarant hereby confirms that the Easement for Water Facilities dated November 5, 2019 and recorded under Pierce County Recording No. 201911070178, establishes and grants the Utility Easement B that varies between twenty-five (25) feet and forty (40) feet wide in, on, under, across and through Lot 2 as depicted and legally described on the Easement for Water Facilities, for the purpose of the construction, installation, repair, maintenance, operation, use and replacement of utility facilities for the benefit of and to serve Lot 1, Lot 2, Lot 3 and Lot 4 of the Short Plat. The Utility Easement B shall be perpetual, and shall run with the land, forever burdening Lot 2 for the benefit of each of the Lots. Each of the Owners shall have equal rights to utilize the Utility Easement B for utilities as set forth herein.

Section 2.2. Construction of Short Plat Infrastructure.

2.2.1 Construction of Infrastructure by Owners of Lot 2, Lot 3 and/or Lot 4. The City of Puyallup requires that prior to the issuance of a building permit to any party for any structure on Lot 2, Lot 3 or Lot 4 of the Short Plat, all of the remainder of the infrastructure (the features and infrastructure not constructed by the District as described in Recital E above) required to be completed for the Short Plat, must be installed or constructed by the owner(s) of Lot 2, Lot 3 and/or Lot 4 and approved by the City of Puyallup. Therefore, the Owner(s) of Lot 2, Lot 3 and/or Lot 4 shall be responsible for, and shall construct and install all additional remaining infrastructure improvements for the Short Plat, which shall include, but may not be limited to, the installation of individual private sewer lines from Lot 2, Lot 3 and Lot 4 (three lines) to the existing sewer manhole south of 84th Street on St. Andrews Court and in the Access Easement, the installation of the “dry” utility facilities and gas utility facilities if desired in the Access Easement and Utility Easement A, the final grading of Lot 2, Lot 3 and Lot 4, installation of drainage facilities for any residence to be

constructed on Lot 2, Lot 3 or Lot 4, and installation or completion of private gravel access road facilities in Utility Easement A, all as required by the City of Puyallup.

Section 2.3 Ownership, Operation and Maintenance of Infrastructure Improvements.

2.3.1 Declarant's Ownership, Operation and Maintenance.

(a) The Declarant shall own and be responsible for the operation and maintenance of: (1) the water main serving Lot 2, Lot 3, and Lot 4 up to and including the water meters in accordance with the Declarant's resolutions and policies, and (2) the Storm Water System located on Lot 1, and the storm water lines installed in Utility Easement A and Utility Easement B (connecting to Pioneer Way East to the north) and within the Pioneer Way E. right of way. The Storm Water System and storm drainage lines shall be maintained to a level that is ordinarily expected for similar facilities, and as required by the City of Puyallup.

(b) Except as provided otherwise in this Declaration (including but not limited to cost sharing obligations in Articles 2 and 3 of this Declaration), the Declarant shall be responsible for maintaining, repairing or reconstructing: (1) the private roadway installed in the Access Easement, after the Owner(s) of Lot 2, Lot 3 and Lot 4 have completed construction of the roadway facilities and the same have been approved by the City of Puyallup; and (2) the gravel roadway within the Utility Easement A along the south side of Lots 2 and 3 that provides access to the storm control structures on Lot 1 and to the storm lines in Utility Easement A and Utility Easement B.

(1) The Declarant shall install the final lift of paving on the private roadway installed in the Access Easement after Lot 2, Lot 3 and Lot 4 are sold and developed by the purchaser(s) of those Lots, and shall charge the cost of the final paving installation to the Owners of the Lots in accordance with Article 3 below; provided, that if those Lots are not all developed within one year of the sale of the last of those Lots to a purchaser, the Declarant may, in its sole discretion, install the final lift of paving at any time, and charge the cost of the final paving to the Owners of the Lots in accordance with Article 3 below. If the Declarant installs the final paving before Lot 2, Lot 3 or Lot 4 is developed, and if the Owner of Lot 2, Lot 3 or Lot 4 damages the roadway in the Access Easement or the roadway in Utility Easement A in any manner whatsoever during the development of the Owner's Lot, then that Owner shall promptly repair the damage and restore the roadway to at least its condition prior to the damage, at that Owner's sole cost and expense.

(2) After the sale and development of Lot 2, Lot 3 and Lot 4, the Declarant shall maintain, repair or reconstruct the roadway facilities if and when the Declarant determines that maintenance, repairs or reconstruction are reasonably necessary: (i) to preserve the roadway surface or any other roadway improvements or facilities installed within the Access Easement or Utility Easement A, or (ii) to insure that the roadway surface or any other roadway improvements or facilities installed within the Access Easement or Utility Easement A remain open and without defects or deficiencies that unreasonably restrict or limit passage for vehicles or pedestrians, or (iii) to remedy any defects or deficiencies in the roadway surface or any other roadway improvements or facilities installed within the Access Easement or Utility Easement A which result from use, wear and tear or passage of time or which present a danger of injury or harm to personal property or human life. Any maintenance, repairs or reconstruction shall be consistent with requirements of the City of Puyallup. The Declarant shall charge the Owners of Lot 2, Lot 3 and Lot

4, and the Owners of Lot 2, Lot 3 and Lot 4 shall pay, for the costs of maintaining, repairing and reconstructing these roadways in accordance with Article 3 of this Declaration.

(c) Notwithstanding any provision of this Section 2.3.1, the Declarant shall have no responsibility or obligation to remove any accumulated snow, ice or standing water from the surface of the roadway installed in the Access Easement or in Utility Easement A; and the Declarant shall have no liability to any Owner to any damage to any Lot or Owner resulting from weather events or failure to repair or maintain any roadway in the Access Easement or Utility Easement A.

(d) Notwithstanding any other provision in this Declaration, if any Owner of any Lot damages in any way the roadway in the Access Easement, or the roadway in Utility Easement A, that Owner shall promptly repair the damage and restore the roadway to at least its condition prior to the damage, at that Owner's sole cost and expense. The Declarant shall have the right, but not the obligation, to notify the Owner of the need to repair a damaged roadway. If the Owner responsible for the damage fails to perform the repairs within thirty (30) days of the date of the Declarant's notice to the Owner, the Declarant shall have the right to perform the repairs and bill the cost of the repairs to the Owner. The Owner shall the amount of the bill to the Declarant within thirty (30) days of the date of the bill (the "Due Date").

2.3.2 Owner(s) of Lot 2, Lot 3 and Lot 4 Ownership, Operation and Maintenance. The Owner(s) of Lot 2, Lot 3 and Lot 4 shall own and be responsible for the operation and maintenance of the private sewer lines installed by those Lot Owners in the Access Easement and Utility Easement A from each Lot to the point of connection to the City of Puyallup sewer manhole. All other utility facilities not addressed in Section 2.3.1 above or in the preceding sentence (the "dry" utilities, including gas if that utility is installed by a Lot Owner) shall be owned, operated and maintained by the respective utility service provider installing the facilities, or as required by the respective utility service provider. Further, if the Owner of Lot 2, Lot 3 or Lot 4 or any utility service provider damages the roadway in the Access Easement or in Utility Easement A as a result of the operation or maintenance of any utility facility, then that Owner shall promptly repair the roadway and restore the roadway to at least its condition prior to the damage, at that Owner's sole cost and expense.

2.3.3 Advance Approval for Owner's Work within Easements. No Owner, other than the Declarant, shall undertake any installation, construction, repair, maintenance or replacement work or activity of any nature within the Access Easement, Utility Easement A or Utility Easement B, unless or until the Owner has submitted to the Declarant: (i) a plan for such work, and (ii) a plan for the repair and replacement of any improvements or facilities within the Access Easement, Utility Easement A or Utility Easement B following such work. The Declarant may condition the Owner's work within the Access Easement, Utility Easement A, or Utility Easement B and may impose such conditions thereon as the Declarant may reasonably require to insure that such work does not unreasonably interfere with the use of the Access Easement, Utility Easement A, or Utility Easement B by the Owners and that the improvements or facilities in the Access Easement, Utility Easement A, and/or Utility Easement B are fully restored to at least the condition existing prior to the Owner's work.

Section 2.4 No Liability. In no event shall the provisions of this Declaration create or impose upon the Declarant any liability for personal injuries or property damage suffered by any Person with

regard to the use of the Access Easement, Utility Easement A or Utility Easement B, or any of the roadway or utility facilities or other improvements installed in those Easements. The Declarant's responsibility under the terms of this Declaration shall not make the Declarant the guarantor or warrantor of the timeliness, quality or sufficiency of the performance by any contractor or subcontractor hired to perform repairs or other work in the Access Easement, Utility Easement A or Utility Easement B.

ARTICLE 3. PAYMENT FOR DECLARANT'S MAINTENANCE OF ROADWAY AND STORM DRAINAGE FACILITIES.

Section 3.1 Costs of Operating and Maintaining the Storm Water Facilities. Annually, the Declarant shall determine the total cost to the Declarant of operating, maintaining, repairing, reconstructing and/or replacing the Storm Water System located on Lot 1, and the storm drainage lines installed in Utility Easement A and Utility Easement B (the "Storm Water Facilities") for the upcoming year. In determining the "total cost," the Declarant shall take into account all actual costs and expenses, whether direct and indirect, incurred by or that will be incurred by the Declarant in operating, maintaining, repairing, reconstructing and/or replacing the Storm Water Facilities in the upcoming year. Annually, the Declarant shall bill each of the Owner(s) of Lot 2, Lot 3 and Lot 4 for twenty-five percent (25%) of the total cost, plus a fifteen percent (15%) administration fee (the "Storm Water Facilities Charge"); as the Owner of Lot 1, the Declarant shall be responsible for the remaining twenty-five percent (25%) of the total cost. The Owner(s) of Lot 2, Lot 3 and Lot 4 shall pay the Storm Water Facilities Charge to the Declarant within thirty (30) days of the date of the bill (the "Due Date"). The Declarant may adjust the Storm Water Facilities Charge each year, so that all Lot Owners bear their fair and equitable share of all costs and expenses incurred by the Declarant in operating, maintaining, repairing, reconstructing and/or replacing the Storm Water Facilities.

Section 3.2 Costs of Operating and Maintaining the Roadway Facilities. At any time that the Declarant determines that the private roadway installed in the Access Easement, or the gravel roadway within the Utility Easement A, is in need of maintenance, repairs or reconstruction under Section 2.3 above, the Declarant shall determine the total cost to the Declarant of performing or causing to be performed the maintenance, repairs, or reconstruction of said roadways. In determining the "total cost," the Declarant shall take into account all actual costs and expenses, whether direct and indirect, incurred by or that will be incurred by the Declarant in maintaining, repairing, or reconstructing the roadway(s). The Declarant may notify the Owner(s) of Lot 2, Lot 3 and Lot 4 in advance of the Declarant's determination that the private roadway installed in the Access Easement, or the gravel roadway within the Utility Easement A, is in need of maintenance, repairs or reconstruction. The Declarant shall bill each of the Owner(s) of Lot 2, Lot 3 and Lot 4 for twenty-five percent (25%) of the total cost, plus a fifteen percent (15%) administration fee (the "Roadway Charge"); as the Owner of Lot 1, the Declarant shall be responsible for the remaining twenty-five percent (25%) of the total cost; provided, that if the roadway work is required to repair or reconstruct damage caused by a specific Lot Owner, then that Owner shall be solely responsible for the entire cost of the repairs or reconstruction, and the Declarant shall bill that Owner for the entire cost of the repairs or reconstruction. The Owner(s) of Lot 2, Lot 3 and Lot 4 shall pay the Roadway Charge to the Declarant within thirty (30) days of the date of the bill (the "Due Date").

Section 3.3 Default in Payment of Storm Water Facilities Charge or Roadway Charge. In the event the Owner of any Lot fails or refuses to pay a Storm Water Facilities Charge, a Roadway Charge, or any other monetary obligation by an applicable Due Date, the delinquent Storm Water Facilities Charge, Roadway Charge, or other monetary obligation shall bear interest at one percent (1%) per month until paid in full.

Section 3.4 Payment of Water Service Rates, Charges and Fees. As noted in the Recitals above, the Declarant is a Washington municipal corporation, organized and operating under Title 57 RCW. The Declarant is the water service provider for Lot 1, Lot 2, Lot 3 and Lot 4. All rates, fees and charges for the provision of water service to Lot 1, Lot 2, Lot 3 and Lot 4, including but not limited to all general facilities charges, meter installation charges, and other connection charges, shall be billed and paid in accordance with the resolutions, regulations and policies of the Declarant, as in existence on the date of this Declaration and as may be adopted, amended, modified or repealed by the Declarant and its Board of Commissioners from time to time, and nothing in this Declaration shall alter or modify the Lot Owner(s) obligation to comply with the same.

ARTICLE 4. LIEN AND COLLECTION OF DELINQUENT CHARGES.

Section 4.1 Delinquent Charges Are a Lien; Priority. All unpaid and delinquent Storm Water Facilities Charges, Roadway Charges, and/or any other monetary obligations, plus any accrued interest and collection and foreclosure costs as provided for in this Declaration, shall be deemed to be charges for water service under Title 57 RCW, and shall be a lien upon the Lot incurring the charge and all of the Lot's appurtenances from the date the charge becomes delinquent until paid in full, in the same manner as delinquent water service charges pursuant to RCW 57.08.081. The amount of the lien shall include all interest in connection with the unpaid Charges and all costs and expenses, including title search expenses and attorneys' fees, incurred by the Declarant in the collection of the unpaid Charges. The lien for such unpaid Charges shall have the same priority as other liens under RCW 57.08.081.

Section 4.2 Lien May Be Foreclosed. The lien for delinquent Storm Water Facilities Charges, Roadway Charges, and/or any other monetary obligation may be foreclosed by suit by the Declarant, in like manner as the foreclosure of a water-sewer district lien under Chapter 57.08 RCW.

Section 4.3 Charges Are Personal Obligations. In addition to constituting a lien on the Lot, all Storm Water Facilities Charges, Roadway Charges, and/or other monetary obligations assessed and billed by the Declarant to any Lot Owner, together with interest, costs and attorneys' fees in the event of delinquency, shall be the joint and several personal obligations of the Owners and any contract purchaser of the Lot when the Charge is made. In connection with the voluntary transfer of a Lot, the grantee shall be jointly and severally liable with the grantor for all unpaid Charges up to the closing of the transfer, without prejudice to the grantee's right to recover from the grantor the amount paid by the grantee therefore. Suit to recover personal judgment for any delinquent assessments shall be maintainable without foreclosing or waiving the liens securing them.

Section 4.4 Remedies Cumulative. The remedies provided in this Declaration are cumulative, and the Declarant may pursue any or all of them, and any other remedies which may be available under law although not expressed herein, either concurrently or in any order.

ARTICLE 5. NOTICES.

Section 5.1 Address for Notices. Any notice required or mandated by the terms of this Declaration shall be by personal delivery or by U.S. Mail to such addresses as each of the Owners may specify to the other Owners. In the absence of any notification of any change of address, the mailing address of each of the Lots shall be deemed acceptable. Good faith and substantial compliance with the notice requirements set forth herein is all that is required to satisfy this notice requirement.

ARTICLE 6. AMENDMENTS OF DECLARATION

Section 6.1 Amendments by Owners. Any Owner may propose amendments to this Declaration by submitting the proposed amendments to the other Lot Owners. If a majority of the Lot Owners approve of a proposed amendment, such amendment shall be approved; provided, that until such time as Declarant ceases to be an Owner of a Lot, the affirmative vote and agreement by the Declarant to any amendment to this Declaration shall be required as a condition to the validity of such amendment.

Section 6.2 Amendments by Declarant. Until such time as Declarant ceases to be an Owner of a Lot, Declarant on its sole signature alone, and as an attorney-in-fact for all other Owners, with an irrevocable power coupled with an interest, may amend this Declaration without approval of any Owners.

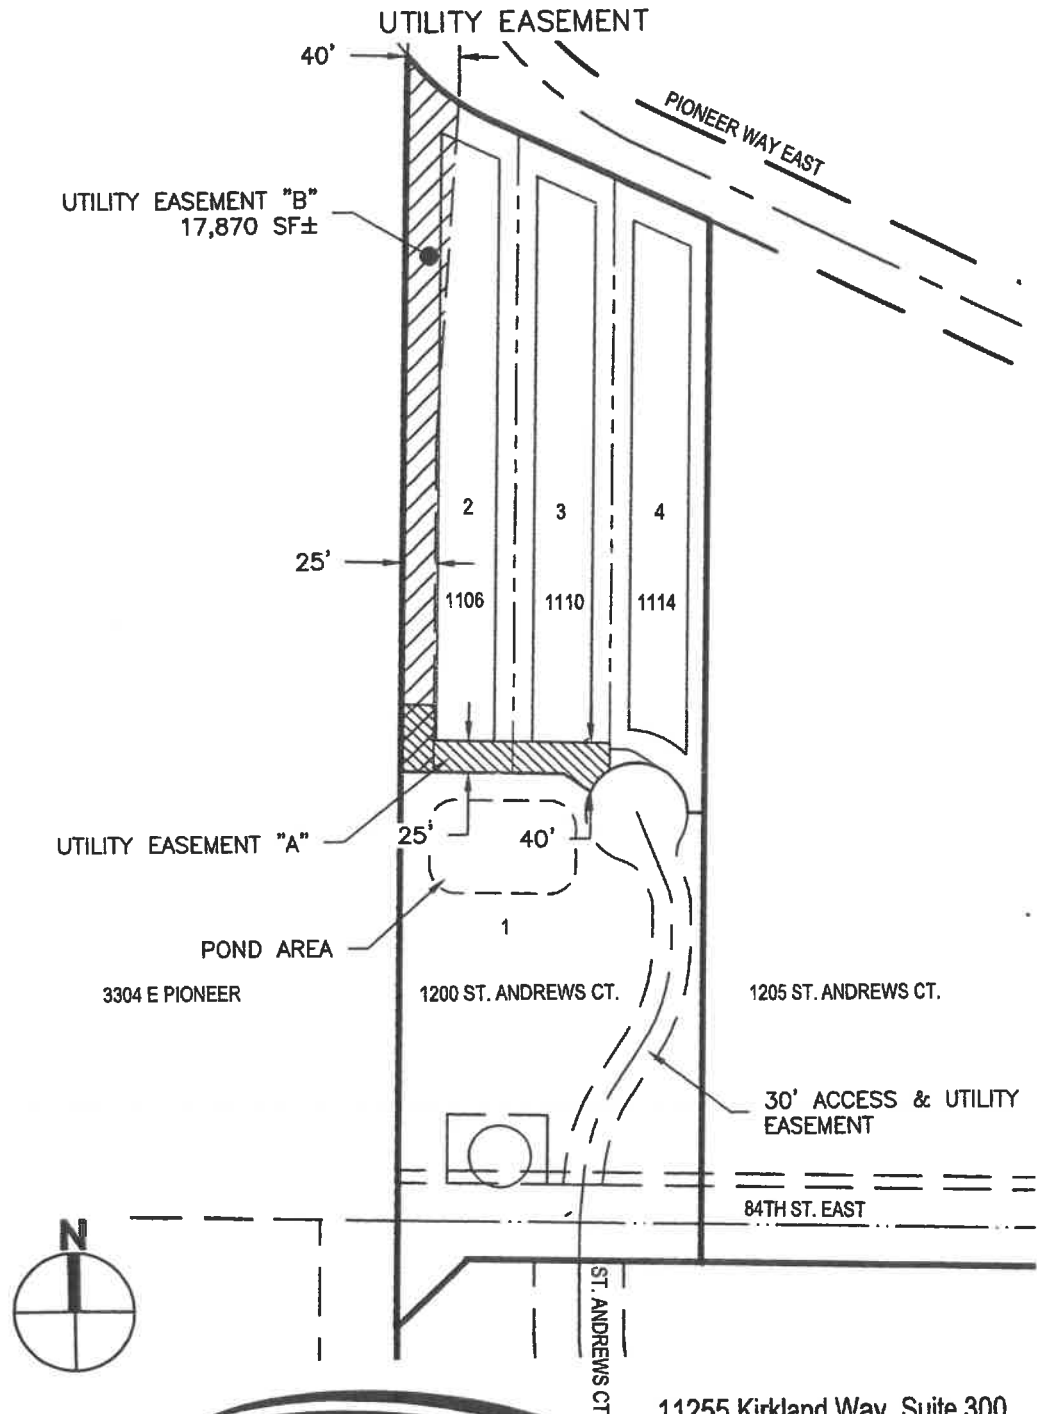

ARTICLE 7. MISCELLANEOUS

Section 7.1 Attorney's Fees. In the event of any conflict, controversy, claim or dispute between the Owners which arises out of or relates to the performance of the duties or obligations under this Declaration, or the method and manner of performance thereof or the breach thereof, or the payment or nonpayment of any charge authorized by this Declaration, the prevailing Owner in any suit or arbitration commenced with regard to said conflict, controversy, claim or dispute shall be entitled to receive from the non-prevailing Owner, in addition to any other relief, all reasonable costs and expenses relating thereto and reasonable attorney's fees incurred or expended.

Section 7.2. Effective Date. This Declaration shall be effective upon recording.

Section 7.3 Duration. The covenants, conditions, and restrictions of this Declaration shall run with, and bind the Property and each of the Lots and shall inure to the benefit of, and be enforceable by, the Owners, their respective legal representatives, heirs, successors, and assigns, for a period of thirty (30) years from the date this Declaration is recorded. After said thirty (30) year period they shall be automatically extended for successive periods of ten (10) years each, unless an instrument terminating the covenants, conditions and restrictions, which instrument is signed by a majority of the then Owners, has been recorded in the real property division of the Auditor's Office of Pierce County, Washington; provided, that until such time as Declarant ceases to be an Owner of a Lot, the affirmative vote and agreement by the Declarant to any termination of this Declaration shall be required as a condition to the validity of the termination. In the event that such a termination instrument is recorded, the covenants, conditions and restrictions contained in this Declaration shall terminate at the end of the ten (10) year period during which it was so recorded.

EASEMENT FOR WATER FACILITIES

The undersigned, Valley Water District, a municipal corporation in Pierce County, Washington ("Grantor"), for and in good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, hereby grants, conveys and warrants to Valley Water District, a municipal corporation in Pierce County, Washington ("Grantee"), and its successors and assigns, a permanent easement for water facilities, including water lines and all appurtenances thereto ("Easement"), as follows:

1. Nature and Location of Easement. Grantor owns that certain real property legally described in *Exhibit "A"*, attached hereto and incorporated herein by this reference (the "Real Property"). The Easement granted by Grantor shall be a permanent easement for the benefit of Grantee over, upon, across, through and under a portion of the Real Property, such Easement Area as legally described on *Exhibit "B"* and as described and depicted on *Exhibit "C"* attached hereto and incorporated herein by this reference, for the purposes of installing, laying, constructing, maintaining, inspecting, repairing, removing, replacing, renewing, using and operating water utility mains and lines, together with all facilities, connectors, meters, fire hydrants and appurtenances thereto ("Water Facilities"), and including the right of ingress and egress thereto for said purposes.
2. Right of Entry. Grantee shall have the right, without notice and without prior institution of any suit or proceeding at law or equity, at all times as may be necessary to enter upon the Real Property to install, lay, construct, maintain, inspect, repair, remove, replace, renew, use and operate the Water Facilities. Grantee agrees to restore the Easement Area as nearly as reasonably possible to its condition prior to any material disturbance from construction, operation, maintenance, repair, or replacement of the Water Facilities.
3. Encroachment/Construction Activity. Grantor shall not undertake, authorize, permit or consent to any construction, excavation or grading, including, without limitation, digging, tunneling, filling or other forms of construction activity on or near the Easement Area which might in any fashion unearth, undermine, or damage the Water Facilities or endanger the lateral or other support of the Water Facilities, without Grantee's prior written approval. Grantor further agrees that no structure or obstruction including, without limitation, fences, retaining walls and rockeries shall be erected over, upon or within the Easement Area, and no trees, bushes or other shrubbery shall be planted or maintained within the Easement Area in such close proximity to the Easement Area as to damage the Water Facilities, provided Grantor may use the surface of the Real Property within the Easement Area so long as such use does not interfere with the Easement or the Water Facilities.
4. Binding Effect/ Warranty of Title. The Easement and the covenants, terms and conditions contained herein are intended to and shall run with the Real Property and shall be

The undersigned has recited the following recent sales of properties most similar and proximate to subject and has considered these in the market analysis. The description includes a dollar adjustment reflecting market reaction to those items of significant variation between the subject and comparable properties. If a significant item in the comparable property is superior to or more favorable than the subject property, a minus (-) adjustment is made, thus reducing the indicated value of subject; if a significant item in the comparable is inferior to or less favorable than the subject property, a plus (+) adjustment is made thus increasing the indicated value of the subject.

MARKET DATA ANALYSIS

Comments and Conditions of Appraisal The subject property is 1.05 acres, but is on a sloped lot. It is zoned with the City of Puyallup and further a feasibility study would need to be done for units allowed. Views would depend on trees, etc. however it is in an area with good view possibilities. See addendum for more information

Final Reconciliation Using all sold properties, the appraiser is using an extraordinary assumption that these are all build able properties for one or more units depending on zoning requirements.

I (WE) ESTIMATE THE MARKET VALUE, AS DEFINED, OF THE SUBJECT PROPERTY AS OF 03/11/2024 TO BE \$ 150,000

Legal Description

Section 36 Township 20 Range 04 Quarter 22 L 2 OF S P 2016-12-01-5001 EASE OF RECORD OUT OF 2-703 SEG 2016-0263 BB 12/15/16 BB

The subject property is 1.05 acres, but is on a sloped lot where much of it is unusable. It is zoned with the City of Puyallup and further a feasibility study would need to be done for units allowed. Water available at lot (permit/connection fees will be due), power conduits installed, final lift of asphalt for road will be required and split between 4 lots. Water is at the lot, however buyer will need to purchase a water meter and general facility charge to connect. No communications are installed.

Purchaser will have to install a grinder pump and service line approx 450 feet to the existing sewer main.

Adjustments were made on the grid for these costs under development.

All sales are within the Puyallup/Bonney Lake area. Lot size is based on approx usable area. Views would depend on trees, etc. however it is in an area with good view possibilities. This area of Puyallup is an diverse community that has a wide variety of GLA size homes as well as ages. All comparables are within the neighborhood and are reasonable and reliable indicators of value for this area.

The comps presented bracket and lend support to the development of value of the subject, weighted towards a reasonable mid point in the value range indicated, based on an exposure time of 0-6 months. Sale 1 is one of the lots right next to the subject. It is a very good indicator of value. Sale 2 is a smaller lot and was adjusted as well as power and sewer are at the street. Sale 3 is similar to sale two with utilities and also has a possible view similar to the subject. **All three were given similar weight when estimating value.**

I have performed two other services on 07/2021, 02/2022 and 4/2023 , as an appraiser or in any other capacity, regarding the property that is the subject of the work under review within the three-year period immediately preceding acceptance of this assignment.
